

1.1 Incremental 1 Testing

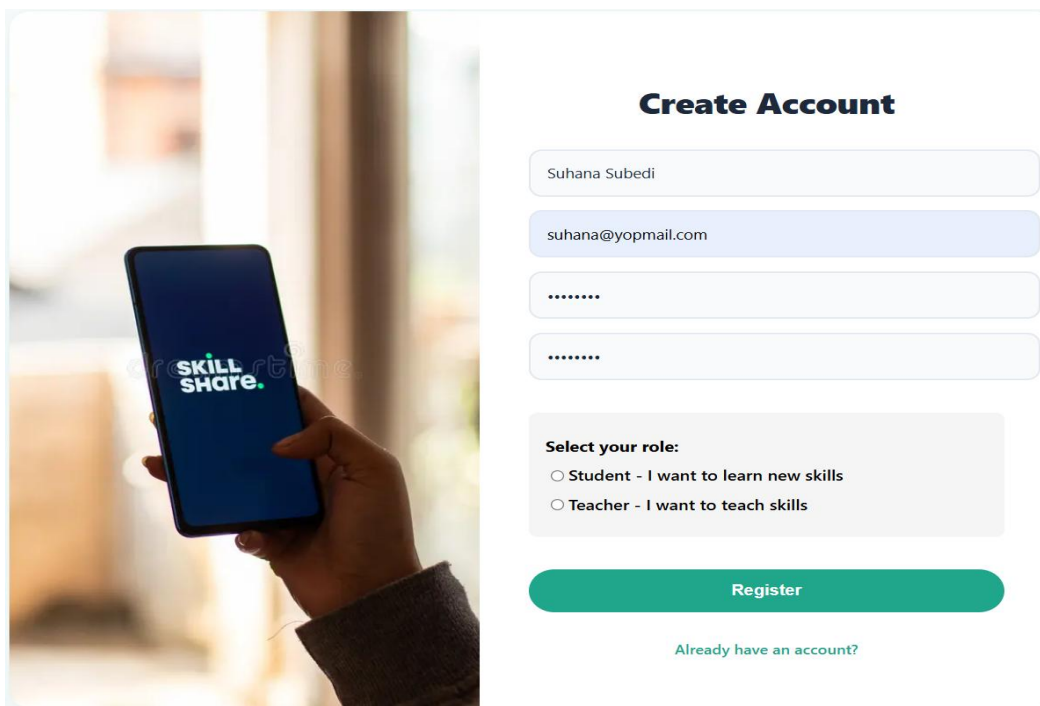

1. User Authentication:

Register:

- Test Case 1: Role Selection Required

Table 1: Test1: Registration without role

Item	Description
Objective	To verify, the system needs role selection.
Action	Enter without selecting a role.
Expected Outcome	The system should display an error message.
Actual Result	An error message has been displayed.
Conclusion	Success

The image shows a registration interface for 'Skill Share'. On the left, a hand holds a smartphone with the 'SKILL SHARE.' logo. On the right, the 'Create Account' form includes input fields for name ('Suhana Subedi'), email ('suhana@yopmail.com'), and two masked password fields. Below these is a 'Select your role:' section with radio buttons for 'Student - I want to learn new skills' and 'Teacher - I want to teach skills'. A green 'Register' button is at the bottom, with a link 'Already have an account?' below it.

Figure 2: Trying registration without selecting role

- Test Case 2: Teacher Role Displays Additional Fields

Table 2: Test2 Teacher role's fields

Item	Description
Objective	To verify that the select the Teacher role will show more document upload fields.
Action	During registration, choose Teacher - I want to teach skills
Expected Outcome	Select "Teacher – I want to teach skills" during registration.
Actual Result	Fields to upload CV, Certificate, and Citizenship should be displayed.
Conclusion	Success

The image shows a hand holding a smartphone with the SkillShare logo on the screen. To the right is a web registration form for the Teacher role. The form includes a 'Confirm Password' field, a 'Select your role' section with radio buttons for 'Student' and 'Teacher' (selected), and a 'Teacher Verification Documents' section with three file upload fields: 'Khalti ID (Phone Number)', 'Upload CV (PDF, DOCX)', 'Upload Certificate (PDF, Image)', and 'Upload Citizenship (PDF, Image)'. Each upload field has a 'Choose File' button and 'No file chosen' text. At the bottom is a green 'Register' button and a link 'Already have an account?'.

Figure 3: Showing teacher's additional fields

- Test Case 3: Teacher Must Upload Required Documents

Table 3: Test3 Upload required documents

Item	Description
Objective	To verify that the system shows an error when the user tries to register as a teacher without uploading a document
Action	Trying to register without uploading a CV, certificate, and citizenship.
Expected Outcome	Select "Teacher – I want to teach skills" during registration.
Actual Result	An error message has been displayed.
Conclusion	Success

Select your role:

☐ Student - I want to learn new skills
☒ Teacher - I want to teach skills

Teacher Verification Documents

9827472492

Upload CV (PDF, DOCX)

No file chosen

The cv field is required when role is teacher.

Upload Certificate (PDF, Image)

No file chosen

The certificate field is required when role is teacher.

Upload Citizenship (PDF, Image)

No file chosen

The citizenship field is required when role is teacher.

Figure 4: Teacher registration without documents

- Test case 4: Teacher Registration

Table 4: Test 4 Teacher registration

Item	Description
Objective	To verify that the system allows a user to register as a teacher with all the necessary documents and fields.
Action	Select "Teacher", fill in all required details & document and submit the registration form.
Expected Outcome	The system must be able to create a user as a teacher.
Actual Result	The user was created successfully and stored in the database.
Conclusion	Success

Email Verification:

- Test case 6: Verification required in registration

Table 6: Test 6 verification

Item	Description
Objective	To verify that the system needs email verification after registration.
Action	Fill in all registration details correctly and submit the form.
Expected Outcome	The system will require a verification code, which will be sent to the email of the user.
Actual Result	Verification code prompt successfully displayed.
Conclusion	Success

Secure Your Access

One final step to join the SkillBarter community. Verify your identity to protect your account and start trading skills.

Verify Email

We've sent a unique 6-digit code to your inbox to ensure your account security.

Code expires in 2 minutes

suhana@yopmail.com

ENTER 6-DIGIT CODE

000000

Complete Verification

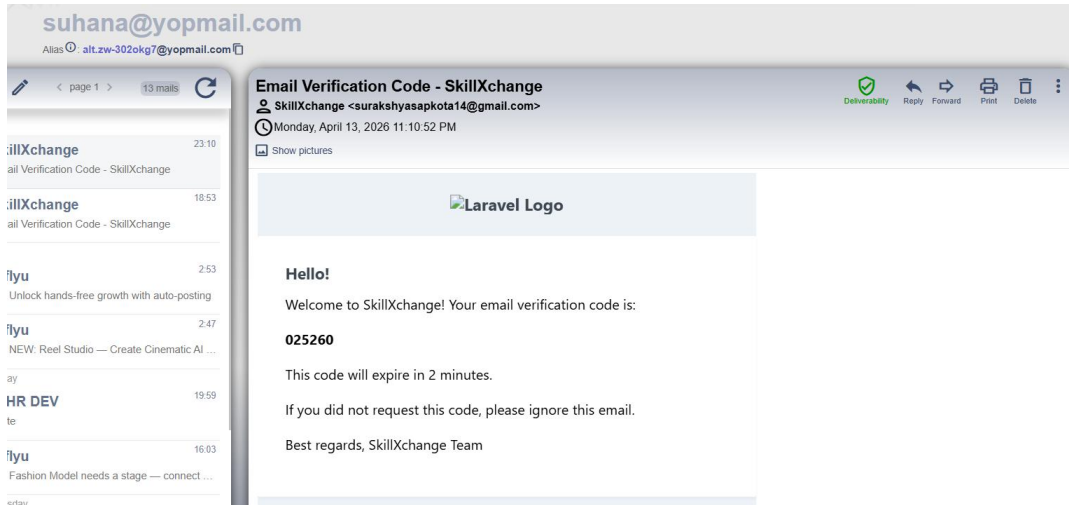

Didn't receive a code? Please check your spam folder or request a new one.

Resend New Code

- Test Case 7: Verification Code Sent to Email

Table 7: Test7 verification code received

Item	Description
Objective	To verify that a confirmation code has been sent to the registered email.
Action	Complete the registration form and check your email inbox.
Expected Outcome	A verification code is to be received by email.
Actual Result	Verification code received successfully.
Conclusion	Success

- Test Case 8: Incorrect Verification Code

Table 8: Test8Incorrect verification code

Item	Description
Objective	To verify the system's behavior in case of entering an incorrect verification code.
Action	Enter the wrong verification code.
Expected Outcome	The system should show an error message and reject verification.
Actual Result	An error message has been displayed.
Conclusion	Success
