

## LogBook: 13

Meeting No: 26

Date: 2026-04-01

Start Time: 09:00 PM

Last Visit Date: 2026-03-25

Finish Time: 09:45 PM

---

### Items discussed:

- Discussion on implementing session reschedule feature for better session management.
- Discussion on improving and refining the overall UI design of the system.
- Discussion on developing Dispute model for handling user issues and conflicts.

### Achievements:

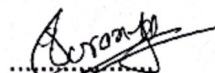

- Successfully implemented session reschedule feature allowing users to modify session timings.
- Improved and finalized the UI design for better user experience and system usability.
- Developed Dispute model to handle and manage user complaints and issues effectively.

### Problems (if any):

- Faced minor challenges in updating session schedules dynamically without affecting existing bookings.
- UI consistency issues were encountered across some pages and resolved through redesign and testing.

### Tasks for Next Meeting:

- Develop Contact Us feature for user communication and feedback.
- Add necessary pages including Privacy Policy, Terms of Use, and Help Center for better user understanding of the system.
