

LogBook: 8

Meeting No: 17

Date: 2025-02-08

Start Time: 1:00 PM

Last Visit Date: 2025-12-29

Finish Time: 1:45 PM

Items discussed:

- Discussion on completing the Home page and other system pages with full backend integration and CRUD operations.
- Discussion on implementing password change functionality and email update with verification process.
- Discussion on developing the Find Skill page with complete backend support.

Achievements:

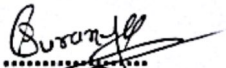

- Completed the Home page and other system pages with full backend integration and complete CRUD functionality.
- Implemented email verification feature to ensure secure user account activation and updates.
- Successfully developed password change functionality with proper backend validation and security measures.
- Developed and finalized the Find Skill page with full backend implementation and dynamic data handling.

Problems (if any):

- Minor backend validation and data consistency issues were encountered during development, which were resolved through testing and debugging.

Tasks for Next Meeting:

- Validate email during registration/signup
- Teacher & Student role based pages & features

Suraksha Sapkota

Sandip Dhakal (1st Supervisor)
